

*Each Wednesday
“Wednesdays at
the Well” ...
In the Hall!*

The St. Paul Center for Biblical Theology, founded by Dr Scott Hahn, is a non-profit research and educational institute that promotes life-transforming Scripture study in the Catholic tradition, based in its research we present:

Reconciled to God: The story of the Prodigal Son helps us discover the meaning of sin, reunion, and forgiveness by the Father through the sacrament of Reconciliation. We may squander our inheritance in sin, yet, from the very beginning the Father has always provided a path to a loving moment of conversion and our return to a renewed life in the house of our Father.

Spiritual Healing: While shared in times of physical danger, the anointing of the sick is not only concerned with bodily health. Its primary purpose is spiritual healing. It continues the holy anointing we received at Baptism and Confirmation and is a moment of preparation for the final journey to our Father’s house.

Enjoy opportunities to recognize, explore, and discover God’s love at work through your continuing learning in the faith!

... Jesus said, “Everyone who drinks this water will be thirsty again, but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life.”

Our Lady of the Fields Offers adults two hours each Wednesday to explore dimensions of our faith “on the adult side...” Our next offering is:

Wednesday, May 24, 2017 7-9pm
