

**Knights of
Columbus®**

HOW CAN **WE** HELP YOU?

William E. Baldwin Sr. Council #17990

When we established our new **Knights of Columbus Council** at Our Lady of the Fields in March 2022, our goal was to be a vibrant organization of the parish by participating in every liturgical event, supporting parish ministries, raising funds for charitable donations, and working on various projects beyond the campus boundaries. Now that we are established, **we want to help YOU**, those in our parish and surrounding community. We are ready to respond to requests but need your assistance identifying those people who are in need. Perhaps it is a single mother who needs help with repairs around the house or an elderly couple who can't maintain their yard and lack the funds to do so. Or maybe there is someone with a physical disability who needs a wheelchair ramp or bathroom grab bars installed in their home. Let us know how we can help!

Our pledge is to reply to any inquiry within 48 hours, preferably by phone, but at least by email acknowledging your request. You can submit an inquiry by visiting our website below or contacting us directly with our phone number and email address. We look forward to hearing from you. God Bless & Vivat Jesus.
