Come and discover the Eucharistic Miracles of the World, which will highlight 20 countries and 150 miracles that have been carefully catalogued via internet by Blessed Carlo Acutis during his lifetime. From the age of seven until his death at the age of 15 in 2006, he devoted his life to being united to Jesus in the Eucharist, receiving it every day. This special exhibit, featuring a first class relic of Blessed Carlo, is the result of his devotion and we are so excited to share it with you. Please come and be inspired. While you are here, spend some time with the Blessed Sacrament in quiet Adoration and explore artifacts used in liturgical celebrations of the Eucharist.
