“In our ever more confusing world, there is an urgent need for clarity of purpose in our lives. Designed specifically for women, Walking with Purpose is the most comprehensive program I am aware of; within the context of friendship, beauty and hospitality, the God-given principles for grace-filled living are shared with clarity and charity.”

—Curtis Martin, Founder of FOCUS, The Fellowship of Catholic University Students

“There is an incredible need to engage Catholic women in a life-giving conversation about spirituality. Unleashing the genius of womanhood in our homes, parishes, and schools is essential if we are going to thrive. I believe that Walking with Purpose is one of the most significant ministries of our time.”

—Matthew Kelly, Founder of Dynamic Catholic

“The rapid growth of Walking with Purpose bears witness to the power of missionary discipleship lived out in a beautiful “culture of encounter.” May the Lord continue to bless this ministry as it fosters a personal encounter with Christ, the Word of God, and with one another.”

—Most Reverend William E. Lori, Archbishop of Baltimore, MD

We have to decide whose voice we are going to listen to. We've got to grasp hold of our true identity, who God says we are, and kick to the curb the litany of lies that is fed to us on a daily basis.

Rooted and Radiant

Rooted and Radiant was written for any woman who wants to live her life grounded in Jesus Christ. In this Bible study, we learn the book of Colossians verse by verse. We will seek to understand the challenges that faced the Colossians, recognizing that they are remarkably similar to our own challenges today.
