walking with purpose

Walking with Purpose is a women's ministry that helps nurture a deep personal relationship with Jesus Christ through Scripture study and small group discussions. WWP studies link our everyday challenges with solutions given to us through the teachings of Christ and the Church.

It's a practical, relevant, enjoyable Bible study program that can help unleash the Holy Spirit in your heart!
All women are invited regardless of faith background, Bible study experience, parish affiliation, age, or marital status.

Rooted and Radiant was written for any woman who wants to live her life grounded in Jesus Christ. In this Bible study, we learn the book of Colossians verse by verse. We will seek to understand the challenges that faced the Colossians, recognizing that they are remarkably similar to our own challenges today.

Beholding His Glory shows us how all Scripture points us to our Redeemer, Jesus Christ. We'll learn to recognize and appreciate God's plan for our own lives, His awe-inspiring majesty, and His desire for personal intimacy with each one of us. As we look at Old Testament people and events, we'll encounter problems that only Christ will solve, needs that only He will satisfy, and promises that only He can deliver.

Opening Your Heart: The Starting Point, will take you on an exciting journey closer to the heart of God. This study is an incredibly effective guide to deep, lasting transformation of the heart and we encourage all participants new to Walking with Purpose to begin here, regardless of prior Bible study experience. Prior participants who have not yet taken OYH are also encouraged to enroll.
